

H1

PRODUCT DESCRIPTION

All-purpose paste for mounting highly stressed screw and plug connections and for lubricating extremely stressed gliding points. Protects against fitting and fretting corrosion. Loosens tight screws and sprues after long idle state.

ADVANTAGES

- » Usable up to 1400°C
- » Contains neither toxic nor metallic substances
- » White coloured solid lubricants
- » Extremely pressure resistant
- » Resistant to hot water, acids and alkali
- » H1 registered

APPLICATION

Apply paste evenly.

Containers	Content	No.	EUR
